## Benny's Joke

Benny always likes to come up with jokes about the mysteries the Aldens solve. Using the code below, can you find the punch line to his shark joke?

Did you hear about the boy who was bitten by a shark on his left side?

He's 1 12 12 18 9 7 8 20 now!

Code: alphabet code; a = 1, b = 2 . . . z = 26

## **Benny's Joke**

He's *all right* now!
